Linda,

Please prepare a GNL for “Geospace Technologies Corporation, Previously known as OYO Geospace Corporation” and a GNL for the agent of this entity. These GNLs will replace GNL previously sent to “OYO Corporation U.S.A. (A/K/A OYO Geospace and its agent.”

The first page of each new GNL should include the applicable name and addresses (see M67 thru V67 of the attached excel worksheet).

Jul 02, 2015 should be the date stamp on the first page of each new GNL.

Remaining pages of each GNL can be copies of pages 2 thru 19 from the attached pdf file for “Oyo Corporation U.S.A., AKA Oyo Geospace.”

Each new GNL filed into SDMS should include a copy of page 21 from the attached pdf file and as well as copies of applicable mailing documents.
